Re: Invitation to submit comments to the Stockholm Convention's POPs Review Committee on the draft documents of Risk Management Evaluation and Risk Profile for chemicals proposed for listing in Annex A, B, or C of the Convention.

Dear Mr. Cooper,

Further to Canada's May 20, 2008 letter indicating that Canada was preparing comments for submission to the POP Review Committee regarding the Risk Management Evaluations and the Risk Profile, please find attached Canada's comments for the following chemicals: commercial octabromodiphenyl ether, pentachlorobenzene, alpha hexachlorocyclohexane, beta hexachlorocyclohexane, and short-chained chlorinated paraffins.

Sincerely,

France Jacovella, P.Eng., ing.
