

Acknowledgement

These guidance documents were drafted and reviewed with the support of experts from a range of sectors, who shaped the documents through their scientific knowledge and inputs, industrial expertise and implementation experience. UNIDO would like to express its appreciation to those contributors by listing their names below.

A handwritten signature in black ink, appearing to read 'H. Leu', with a long horizontal stroke extending to the right.

Heinz Leuenberger, Ph.D.

Director, Environmental Management Branch

United Nations Industrial Development Organization (UNIDO)

In alphabetical order of their last names:
