

Stockholm Convention

10th
ANNIVERSARY

National awareness-raising workshop on
the nine new POPs and the
implementation of the Stockholm
Convention
Yerevan, 26-27 May 2011

Stockholm at 10:
Chemical Challenges, Sustainable Solutions
2001-2011

OBJECTIVES

- ❖ **Raise awareness** on the ten new POPs added to Annexes A, B and C of the Stockholm Convention;
- ❖ **Establish clear understanding** on the scope of the obligations deriving from amendment;
- ❖ **Communicate, consult** with key national stakeholders for enhanced cooperation;
- ❖ **Gather knowledge, experience and competence** related to activities on new POPs

MAIN OUTCOMES

- ❖ **Recommendations for the terms of reference for the initial assessment of new POPs in Armenia**
- ❖ **Responsibilities assigned**
- ❖ **Agreement on the roadmap and timeline for the initial assessment**

AGENDA-DAY 1

MORNING

- ❖ Overview of Stockholm Convention and its recent amendments
- ❖ Progress in implementing the Stockholm Convention in Armenia
- ❖ Reviewing and updating the National Implementation Plan

AFTERNOON

- ❖ Key considerations for assessing the presence of new POPs
- ❖ Assessment of the new POPs issue: the Czech Republic's case study
- ❖ Presentation of the terms of reference and draft Roadmap to carry out the *Initial Assessment*
- ❖ Overview of working group exercises

AGENDA-DAY 2

MORNING

- ❖ Summary of discussions on day 1
- ❖ Group exercise 1 and report to plenary
- ❖ Group exercise 2 and report to plenary

AFTERNOON

- ❖ Group exercise 3 and report to plenary
- ❖ Summary of recommendations for the *Initial Assessment* and adoption of the Roadmap
