

The Republic of the Union of Myanmar
Ministry of Environmental Conservation and Forestry

Date: 17 February 2012

Ref: 2-13/1/2012(69/2012)

Dear Mr.Gamini Manuweera,

Subject: **Withdraw the list of acceptable purpose for DDT**

Myanmar submitted the DDT registration form for the use of malaria vector control in accordance with the World Health Organization recommendation and guidelines on 8 August 2006. However, Myanmar imports the alternative insecticides such as Malathion and alphacybermethrine instead of DDT at present. Therefore, we would like to inform to withdraw the list of acceptable purpose for the DDT requested by the Ministry of Health, Myanmar.

With best regards

Sincerely,

Hla Maung Thein (Mr.)
