

CURRICULUM VITAE

Carlos Eduardo Komatsu

Brazilian

Position: Air Technology Department Manager

Institution: Companhia de Tecnologia de Saneamento Ambiental – CETESB

Phone: (5511)3133-3068

Email: carlosk@cetesbnet.sp.gov.br

1. Academics

- Bachelor's Degree in Chemical Engineering - graduated from Escola Politecnica da Universidade de São Paulo on December of 1990.

2. Foreign Languages

- English - Intermediate Level

3. Professional Experience

- *CETESB* – since May, 2003

Occupation: Air Technology Department Manager.

Field: Supervise air quality and mobile sources technical group.

- *CETESB* – March, 2001 – March, 2003

Occupation: Technical Support for Enforcement Actions Division Manager

Field: Analysis of Projects regarding the regulation of air, water, and soil pollution originated in industrial activities.

- *CETESB* – April, 1996 - February, 2001

Occupation: Air, Noise and Vibration Section Manager

Field: Analysis of Projects related to the regulation of atmospheric emissions from stationary sources, development of sampling methods for stationary sources and evaluation of noise and vibration derived from industrial activities.

- *CETESB* – July, 1992 - March, 1996

Occupation: Atmospheric Emissions Section Engineer

Field: Analysis of Projects related to atmospheric emissions derived from stationary sources.

- *Kyoeysa Chem. Co.* – August, 1991 - March, 1992

Occupation: Nara Prefecture (Japan) Grant.

Field: Detergents and Soaps Development for industrial applications.

- *Setal- Lummus Eng. e Construções S/A* – January, 1991 - June, 1991

Occupation: Trainee Engineer.

Field: Basic Projects Development and detailing of chemical and petrochemical industries.

4. Professional Improvement Courses

- Geoprocessing Applying Programme Training - June, 1995 – São Paulo (Brazil)
- Fundamentals of Air Dispersion Modeling and Computer Modeling – November, 1997 – Los Angeles (USA)

5. Publications

- *Scrap tires as an energetic alternative*, Fifth Brazilian Cement Congress, 1999 - São Paulo (Brazil).
