Concerning your letter dated 24 October 2008 on the submission of information to the POPs Review Committee you will find attached information and data on the use of endosulfane in Austria.

As Austria views the Stockholm Convention as a living instrument for the elimination and reduction of persistent organic pollutants, we are glad to be able to contribute to the collection of data on POPs candidates.

Enclosure: Form for submission of information specified in Annex E of the Stockholm Convention pursuant to Article 8 of the Convention

In charge of the Federal Minister:
Thomas Jakl, Head of Chemicals Policy Unit

Electronically signed
