

# SafePlanet Campaign Body Burden Forum

Side event at CSD-19 at UN Headquarters in New York

Thursday, 12 May 2011

Time 1.15-2.45 pm

Room 4, NLB

Refreshments will be served

A roundtable discussion on the global burden of human exposure to hazardous chemicals and how biomonitoring information can support the Millennium Development Goals and World Summit on Sustainable Development 2020 target to achieve sound management of chemicals and wastes.

**Special Guest Suzann Pettersen**, Ladies European Tour and Ladies Professional Golf Association (LPGA) Champion

Items under discussion:

- 4<sup>th</sup> and 5<sup>th</sup> round of the **human milk monitoring survey** undertaken by Global Monitoring Programme
- **WHO review** of the global burden of disease due to chemicals
- Results of **Safe Planet 2010 biomonitoring tests**

The short film, **Body Burden**, part I (USA, 2010), starring Ed Begley Jr. and Stine Lise Hattestad Bratsberg, will be shown.

Participants:

- **Stine Hattestad Bratsberg**, Co-chair of the Safe Planet Campaign
- **Werner Obermeyer**, Executive Director, WHO Office at the United Nations in New York
- **Jim Willis**, Executive Secretary of the Basel and Stockholm Conventions and UNEP-part of the Rotterdam Convention
- **Jan-Gustav Strandenaes**, Haring Woods Studio senior consultant, moderator of the discussion
