

9. Framework to develop a resource mobilization strategy for the African and Latin America and the Caribbean regions

Decisions: BC-17/20, RC-12/8 and SC-12/18: Framework to develop a resource mobilization strategy for the African and Latin America and the Caribbean regions

Background:

The Conference of the Parties requested Parties from the African and Latin America and the Caribbean regions and other relevant stakeholders to provide information on possible elements useful for developing guidance for a resource mobilization strategy from non-State actors for the African and Latin America and the Caribbean regions by 31 October 2025, using a questionnaire to be prepared by the Secretariat.

Follow-up:

Call for information	Respondents	Methods of submission	Deadlines for submission
Parties from the African and Latin America and the Caribbean regions and other relevant stakeholders to provide information on possible elements useful for developing guidance for a resource mobilization strategy from non-State actors for the African and Latin America and the Caribbean regions.	Parties from the African and Latin America and the Caribbean regions and other relevant stakeholders	An online questionnaire will be made available on the conventions' websites to enable responses to this request.	31 October 2025
