## Annex II

## Questionnaire for Parties to the Stockholm Convention

Submitting Party	
Contact details (name, department, telephone, e-mail)	
Date of submission	

Question 1. Regulatory and assessment schemes for new pesticides and/or new industrial chemicals

A) Do you have one or more regulatory and assessment schemes for new pesticides and/or new industrial chemicals?

(a) Regulatory and assessment scheme for new industrial chemicals

Yes  If yes, please answer question B).

No

(b) Regulatory and assessment scheme for new pesticides

Yes  If yes, please answer question B).

No  If no, please go to question 2.

B) Do the regulatory and assessment schemes for new pesticides and/or new industrial chemicals address chemicals that exhibit the characteristics of persistent organic pollutants as defined in paragraph 1 of Annex D of the Stockholm Convention?

(a) Regulatory and assessment scheme for new industrial chemicals

Yes  If yes, please provide details in the boxes below.

No

(b) Regulatory and assessment scheme for new pesticides

Yes  If yes, please provide details in the boxes below.

No  If no, please go to question 2.

Please provide name and reference of the legislation with a short summary of its content. Please specify the screening criteria, assessment scheme and the regulatory measure applied to new pesticides or new industrial chemicals. Please enclose a copy of the legislation.

Please provide the chemical names, CAS numbers, and the purpose of use for all the new pesticides and/or new industrial chemicals with POPs properties that have been regulated with the aim of preventing their production and use, together with the regulatory measure applied.

(a) New pesticides

Name:

CAS number:

Use(s):

Regulatory measure:

(b) New industrial chemicals

Name:

CAS number:

Use(s):

Regulatory measure:

Question 2: Regulatory and assessment schemes for the pesticides and/or industrial chemicals currently in use

A) Do you have one or more regulatory and assessment schemes for pesticides and/or industrial chemicals currently in use?

(a) Regulatory and assessment scheme for pesticides currently in use

Yes  If yes, please answer question B).

No

(b) Regulatory and assessment scheme for industrial chemicals currently in use

Yes  If yes, please answer question B).

No  If no, this is the end of this questionnaire.

*[Handwritten marks]*

B) Do the regulatory and assessment schemes for the pesticides currently in use address chemicals that exhibit the characteristics of persistent organic pollutants as defined in paragraph 1 of Annex D of the Stockholm Convention?

(a) Regulatory and assessment scheme for pesticides currently in use

- Yes  If yes, please provide details in the boxes below.
- No

(b) Regulatory and assessment scheme for industrial chemicals currently in use

- Yes  If yes, please provide details in the boxes below.
- No  If no, this is the end of the questionnaire.

Please provide name and reference of the legislation with a short summary of its content. Please specify the screening criteria, assessment scheme and the regulatory measure applied to the pesticides and/or industrial chemicals currently in use with POPs properties. Please enclose a copy of the legislation.

Please provide the chemical names, CAS numbers, and the purpose of use for all the pesticides and/or industrial chemicals currently in use that have been regulated with the aim of preventing the production and use, together with the regulatory measure applied.

(a) Pesticide(s) currently in use

- Name:
- CAS number:
- Use(s):
- Regulatory measure:

(b) Industrial chemical(s) currently in use

- Name:
- CAS number:
- Use(s):
- Regulatory measure:

This is the end of the questionnaire for Parties. Thank you very much for submitting this to the Secretariat of the Stockholm Convention by 30 July 2010 ([ssc@pops.int](mailto:ssc@pops.int), [kohn@pops.int](mailto:kohn@pops.int)).

Handwritten signature and date: 2/2
