PROFESSIONAL SUMMARY

Eight years working as project manager in the Regional Activity Center for Cleaner Production and contributing to the process of evolution and consolidation of the center at the international level within the framework of the Mediterranean Action Plan, a UNEP's Programme for Cooperation on Environment and development between Mediterranean countries. Continuous training on key issues related to the strategic interest of the center, including sustainable production and consumption, green competitiveness, green entrepreneurship and others.

EDUCATION

- 1999- 2000:** **Master's degree in Environmental Law**, granted by the University of the Basque Country and the International Court of Environmental Arbitration and Conciliation.
- 1999:** **Post-Graduate degree in Environmental Management**, granted by the *Instituto Superior de Estudios Medioambientales* and *Fundación Abat Oliva*, sponsored by the Catalonia Waste Agency (Government of Catalonia).
Environmental Officer Diploma (800 hours) accredited by the Government of Catalonia and the European Social Fund.
- 1994 – 1999:** **Degree in Law** by the Autonomous University of Barcelona (UAB).

PROFESSIONAL EXPERIENCE

- Current Post:** Director of the Regional Activity Centre for Cleaner Production, unit of the Mediterranean Action Plan within the United Nations Environment Programme (UNEP)
- 05/02 – 11/10:** Sustainable Consumption and Production specialist at the Regional Activity Centre for Cleaner Production (CP/RAC). Main tasks:
- Strategic assistance to the centre's director.
 - Proposal, coordination, development and presentation of technical/strategic projects and studies on Sustainable Consumption and Production and concerned mechanisms in the Mediterranean countries, e.g. best available techniques (BAT), best environmental practices (BEP), green competitiveness, integrated pollution prevention and control (EU IPPC Directive), sustainable lifestyles, sustainable consumption, eco-labelling, green public procurement.
 - Organization and coordination of national and international expert and capacity building workshops, e.g. National Workshop on the IPPC in Turkey, First Mediterranean Roundtable on Sustainable Consumption and Production (Barcelona, Spain, Nov 2008); IPPC Regional workshops for Northern Africa and Middle East (Seville, Spain, June 2008) and for the Adriatic countries (Portoroz, Slovenia, June 2006).
 - Coordination of the centre's participation in initiatives and Med-regional programmes of the Mediterranean Action Plan, European Commission, Euro-Mediterranean Partnership (Horizon 2020), and the Mediterranean Commission for Sustainable Development

- Representation tasks in regional and international workshops and congresses related to Sustainable Consumption and Production (SCP) issues.
- Facilitation of synergies and partnerships with relevant initiatives and programmes for SCP, e.g. UNEP Division of Technology, Industry and Economics, UNEP Marrakech process, etc.
- Research and follow-up on new initiatives and studies on SCP.

10/01 – 01/02: Commercial agent and accountant in the company *Disseny Plus*.

06/01 – 09/01: Forestry technical assistant, Government of Catalunya (Spain)

01/00 – 05/00: Internship in KPMG Barcelona, Environmental Department:

- Assistance in legal advice to companies and analysis of new environmental and quality regulations
- Research on environmental management systems adapted to new economic sectors, e.g. Forest Stewardship Council, PEFC Council
